VISION : *To be a learning institution which is dynamic and seeking excellence in intellectual, ethical and technical empowerment of human resources to face the future challenges.*

From Principal's Desk

In the month of April 2022, the staff and the students have actively participated to fulfil the purpose of the college vision. As a token of gratitude, we have celebrated birth and death anniversaries of the national leaders who fought for freedom and development of India. So, it is proud to say that one of our faculty Dr.K.Sathish has been invited as a guest speaker by Vivekananda degree college for women, Kadapa. Another milestone in the progress of the institution is the admission campaign conducted in and around the government and private junior colleges to enhance admissions for the academic year 2022-23. Two girl students from the institution participated in athletic meet and won medals. For the progress of the institution the donors are also extending their generous help in providing furniture and sports kit. In order to maintain serene atmosphere on the campus the WEC has conducted gender equality awareness meeting and also conducted an awareness meeting on anti-ragging and drugs by the Circle Inspector of police.
