VISION :To be a learning institution which is dynamic and seeking excellence in intellectual, ethical and technical empowerment of human resources to face the future challenges.

From Principal's Desk

In the month of August 2022, the staff and the students have sincerely worked towards the realisation of college vision and mission. It is very proud to announce that the Physical director of the college has been selected as best P.D. by the authorities. As a part of extension activity, the Dept of Mathematics and Dept of Physical Education have organised blood donation camp which is a valuable contribution towards the community. The various departments of the college have conducted different productive activities such as online quiz, anniversary celebrations and guest lectures. In the month of August, the college organised different sports competitions as a part of

Independence day preparations. The main focus this month is on organising different activities as a part of AZADI KA AMRITH MAHOTSAV celebrations. The staff and students of the college actively participated in rallies, sports, elocution competitions and other activities in this regard and made the initiative of the government a grand success. Another notable event in the month is the successful completion of Academic Audit for the academic year 2020-21.
