VISION : *To be a learning institution which is dynamic and seeking excellence in intellectual, ethical and technical empowerment of human resources to face the future challenges.*

From Principal's Desk

In the month of June 2022, the staff and the students have actively participated to fulfil the purpose of the college vision and mission. As a part of academic, administrative and financial activities, conducted staff council meetings and constituted college planning and development council from different categories. It is proud to say that the NSS unit is very strong and executing awareness as well campus cleaning activities. The newly recruited faculty have participated in the FIP at YVU for 5 days and successfully completed the programme. In order to enhance the admissions for the academic year 2022-23, the staff and students have involved in the admission campaign and distributed pamphlets in their habitations. The guest faculty of the college besides the regular faculty visited the neighbouring junior colleges and motivated them for admissions in the college. So far received 10 applications from the inter passed students. We hope that we will reach the intake target for 2022-23.
