October 2022 | Volume: 1 | Issue: 10

VISION :To be a learning institution which is dynamic and seeking excellence in intellectual, ethical and technical empowerment of human resources to face the future challenges.

From Principal's Desk

In the month of October 2022, the staff and the students did their valuable part in the goal of achieving college vision and mission. Sri. B. Gangadhar, Lecturer in History has been felicitated by the commissioner for content creation bringing good recognition to the college as well. The NSS wing of the college took part in many community service activities such as plastic waste collection for Clean India programme. The different departments of the college organised various developmental and commemorative events. The staff of the college participated in the capacity building programmes such as ToT's and Content generation workshops. The inauguration of BRAOU learner support centre in the college can be considered as a major academic development for the college and the town as well. The commencement of internship programme and many other events enriched the monthly curriculum of the college.
